HAPPY ANNOUNCEMENT

I am delighted to share a proud and happy announcement

Our incubation centre has successfully secured funding of ₹30 lakhs under the MSME Incubation Program (MSME Hack 5.0). This achievement marks a significant milestone in our journey of innovation, research, and entrepreneurial excellence.

We extend our heartfelt gratitude to all supporters who have been part of this success. This funding will further empower us to transform our ideas into impactful solutions.

Looking forward to achieving greater heights ahead
