## About College

Malineni Lakshmaiah Women's Engineering College is established in the year 2008. It is a self-financing institution which owes its foundation to the bold and inspired vision of Malineni Perumallu Educational Society, Singarayakonda. The institution is ideally located in a vast expanse of 5.08 acres of land on the outskirts of GUNTUR city at a distance of about 6 Kms from the city center.

The departmental buildings are located in close proximity each other with wide open spaces all around. The playgrounds and other student and staff amenities are within working distances. College is offering U.G and P.G Programs in different specializations. U.G programs are B.Tech (CSE), B.Tech (IT), B.Tech (ECE), Data Science (DS), Artificial Intelligence & Machine Learning (AIML), Artificial Intelligence & Data Science (AI&DS). P.G programs are M.B.A., M.C.A., M.Tech (CSE) and M.Tech(VLSI).

## About Department

The Department of Electronics and Communication Engineering was established in the year 2008 with an intake of 120. The Department is accredited by NBA in 2022 for a period of 3 years. M.Tech in VLSI system Design is also run in the department. Department has very well-equipped Labs such

as Communication Lab, Micro Controller Lab, Digital Signal Processing Lab, Microwave & Optical Communication Lab, eCAD & VLSI Lab. The Department has highly qualified faculty with vast experience. The Department has a well-balanced workforce having experience in academics and in industry.

## Objective of the Programme

The proposed Workshop introduces Intellectual property rights and patents. IPR can be achieved by producing new thoughts in research. Patents can be achieved by unique thoughts of research. The overall research goal of IPR, Patents & Design Filing can create technology that allows computers and electronic machines to work intelligently.

## Vision

To be a Centre of Excellence in Electronics and Communication Engineering by providing quality education and producing competent women engineers to address global challenges of the society.

## Mission

IM1: To inculcate professional excellence and research culture through industry- institute interaction.

IM2 To impart a deep thirst for a lifelong learning by employing practical teaching and learning methodologies.

IM3: To strengthen professional and soft skills through co-curricular and extra-curricular activities.

IM4: To Nurture ethical and socio-economical values amongst the learners through conducive learning environment.

## Schedule

20-10-2022	
<b>Session 1:</b>	
10.00 A.M -10.30 A.M.	Inauguration
10.30 A.M.-10.45 A.M.	Tea Break
10.45 A.M.-12.30 P.M.	Overview of Intellectual Property Rights,
<b>Session 2:</b>	
01.30 P.M.-3.30 P.M.	Copy Rights & Trademarks
21-10-2022	
<b>Session 3:</b>	
10.00 A.M -11.00A.M.	Drafting of Patent & Filing Procedure, Publishing
11.15 A.M.-12.30 P.M.	Tea Break
	Commercialization of Patents
<b>Session 4:</b>	
01.30 P.M - 3.30 P.M.	Journal Paper & Publication

## BRIEF BIO DATA OF DR.M SRINIVASANARAYANA

1. Name: Dr M Srinivasa Narayana Professor, KL Business School, KL University, KLEF, Vijayawada. Email: [dr.srinivasanarayana@gmail.com](mailto:dr.srinivasanarayana@gmail.com) and Mobile No. 9441128754
2. Age : 60 years
3. Sex: Male
4. Work Experience : 30 years in different academic institutions as Lecturer, Principal, Director in Krishna and Guntur districts in different Engineering colleges and standalone PG colleges
5. Educational qualifications: M.Com., MBA M.sc (Psychology), Ph.d
6. Research Experience: 18 Ph.d's (from Acharya Nagarjuna University, JNTU (Kakinada), Dravidian University, and Rayalaseema University)
- M.phils : 40
7. Publications : 40 (National, International and 20 in Scopus indexed journals)
8. National /International conferences : 50
9. Board of studies Member : 5 different institutions offering MBA courses
10. Book extracts : 8
11. Memberships : 15 different national and international associations (Indian commerce Association, world economic association, Institute of scholars )
12. Paper setting and valuation: 6 different institutions for B.Tech and MBA subjects
13. books published : 3

  
PRINCIPAL  
MALINENI LAKSHMAIAH  
WOMEN'S ENGINEERING COLLEGE  
CHILLADIGUNTA, GUNTUR, ANDHRA PRADESH

14. Journal reviewer: 2
15. Invited talks: on various current topics of current interest like Entrepreneurship and soft skills etc.,
16. Award for best papers : 1 in South Korea and 1 in Hyderabad
17. Academic Excellence awards: 4 by different organisations
18. FDP's and workshops attended : 30
19. Online and Distance Education Material writing: For various courses of Acharya Nagarjuna University, Dravidian University, Dr BR Ambedkar Open University
20. Resource person :For various webinars organised by different institutions and Refresher course of Pondicherry University (a Central University)
21. Online video sessions delivered : for BBA and MBA courses of KL online and Distance Learning
22. Counsellor and evaluator for IGNOU courses of BDP and MS courses in TJPS College, IGNOU centre since 1990. (IGNOU counsellor Code 33136842 and IGNOU exam evaluation code IG 25004236.(specialisations in Marketing and Human resource management of MS courses)

## SUMMARY REPORT

Name of the Workshop: “Intellectual Property Rights (IPR) & Patents and Design Filing”

Program Date: 20-10-2022 & 21-10-2022

Program Location: Seminar Hall

Program Conducted By : Department of ECE

Number of Participants: 20

### Objectives of the Program:

- i).The faculty will get familiarity about patents & Copy rights.
- ii).The scope of this Workshop is to provide a forum to exchange views, ideas and the latest innovations in the research and technical field.
- iii). It shall improve the participants ability in carrying out research in various areas.

### Summary Report:

The Workshop was successfully conducted by department of Electronics and Communication Engineering on “Intellectual Property Rights (IPR) & Patents and Design Filing” which was inaugurated by: Dr. J. Apparao, Principal, MLWEC.

Eminent speaker joined to enhance the knowledge of faculty through the development program. The Workshop provided a better understanding on research as well as the knowledge on vast areas of Electronics and Communication Engineering. The professor delivered the talk on “importance of research in academics as it is very helpful to the participants” - There were many types of IPR covered in the program like, •Patents • Trademarks • Copyrights and related rights • Geographical indications • Industrial designs • Trade secrets • Layout design for integrated circuits • Protection of new plant variety. Intellectual property rights (IPR) can be defined as the rights given to people over the creation of their minds. They usually give the creator an exclusive right over the use of his/her creations for a certain period of time. Intellectual property (IP) refers to creations of the mind: inventions, literary and artistic works, and symbols, names, images, and designs used in Electronics.

The Workshop was concluded with the feedback and certificate distribution to all the participants. Overall the program was beneficial and knowledgeable experience for the participants to learn about scope and significance of Research & IPR and Patents.

## About College

Malineni Lakshmaiah Women's Engineering College is established in the year 2008. It is a self-financing institution which owes its foundation to the bold and inspired vision of Malineni Perumallu Educational Society, Singarayakonda. The institution is ideally located in a vast expanse of 5.08 acres of land on the outskirts of GUNTUR city at a distance of about 6 Kms from the city center.

The departmental buildings are located in close proximity each other with wide open spaces all around. The playgrounds and other student and staff amenities are within working distances. College is offering U.G and P.G Programs in different specializations. U.G programs are B.Tech (CSE), B.Tech (IT), B.Tech (ECE), Data Science (DS), Artificial Intelligence & Machine Learning (AIML), Artificial Intelligence & Data Science (AI&DS). P.G programs are M.B.A., M.C.A., M.Tech (CSE) and M.Tech(VLSI).

## About Department

The Department of Computer Science & Engineering was established in the year 2008 with an intake of 120. The Department is accredited by NBA in 2022 for a period of 3 years. M.Tech in CSE/AI are also run in the department. The department has very well equipped labs such as Computer Labs, for

Department has highly qualified faculty with vast experience. The Department has a well-balanced workforce having experience in academics and in industry.

## Objective of the Program

The proposed Workshop introduces Intellectual property rights and patents. IPR can be achieved by producing new thoughts in research. Patents can be achieved by unique thoughts of research. The overall research goal of IPR, Patents & Design Filing can create technology that allows computers and electronic machines to work intelligently.

## Vision

To emerge as the center of quality education in Computer Science and Engineering by promoting competent and woman engineers with ethical values to serve the society.

## Mission

- IM1: To impart quality education through innovative teaching and learning methods.
- IM2: To inculcate ethical and social values among the students for improving their life skills
- IM3: To facilitate knowledge on updating technologies to meet industry requirements.
- IM4: To prepare students for software development, higher education, entrepreneurship, and lifelong learning careers.

## Schedule

P.G programs are M.B.A., M.C.A., M.Tech (CSE) and M.Tech(VLSI).

## About Department

Data science is an interdisciplinary field that uses scientific methods, processes, algorithms and systems to extract knowledge and insights from many structural and unstructured data. Data science is related to data mining, machine learning and big data.

Learn Data Science to enhance skills as it continues to have a major impact on today's world. Graduates of B.Tech in CSE (Data Science) will be well-prepared to work across many sectors, including medicine, finance, robotics, and business intelligence.

- Career opportunities include
- o Business Intelligence Analyst
  - o Data Mining Engineer
  - o Data Architect / Engineer
  - o Data Scientist

### Objective of the Programme

The proposed Workshop introduces Intellectual property rights and patents. IPR can be achieved by producing new thoughts in research. Patents can be achieved by unique thoughts of research. The overall research goal of Patents & Design Filing can create technology that allows computers and electronic machines to work intelligently.

### Vision

To emerge as the center of quality education in Computer Science with a specialization in Data Science for producing competent engineers to serve the society.

### Mission

To impart quality education through innovative teaching and learning methods To train the students as analyst in Data Science

IM2 To impart a deep thirst for a lifelong learning by employing practical teaching and learning methodologies.

IM3: To strengthen professional and soft skills through co-curricular and extra-curricular activities.

IM4: To Nurture ethical and socio-economical values amongst the learners through conductive learning environment.

## SUMMARY REPORT

Name of the Workshop: “ Patents in India and copy Rights”

Program Date: 21-11-2022 & 22-11-2022

Program Location:Seminar Hall

Program Conducted By : Department of DS

Number of Participants: 20

### Objectives of the Program:

- The faculty will get familiarity about patents & Copy rights.
- The scope of this Workshop is to provide a forum to exchange views, ideas and the latest innovations in the research and technical field.
- It shall improve the participants ability in carrying out research in various areas.

### Summary Report:

The Workshop was successfully conducted by department of Electronics and Communication Engineering on “Patents in India and copy Rights” which was inaugurated by: Dr. J. Apparao, Principal, MLWEC.

Eminent speaker joined to enhance the knowledge of faculty through the development program. The Workshop provided a better understanding on research as well as the knowledge on vast areas of Data Science. The professor delivered the talk on “importance of research in academics as it is very helpful to the participants” - There were many types covered in the program like, •Patents • Trademarks • Copyrights and related rights • Geographical indications • Industrial designs • Trade secrets • Layout design for integrated circuits • Protection of new plant variety. Patents in India and copy Rights can be defined as the rights given to people over the creation of their minds. They usually give the creator an exclusive right over the use of his/her creations for a certain period of time.

The Workshop was concluded with the feedback and certificate distribution to all the participants. Overall the program was beneficial and knowledgeable experience for the participants to learn about scope and significance of Research & Patents.

### About College

Malineni Lakshmaiah Women's Engineering College is established in the year 2008. It is a self-financing institution which owes its foundation to the bold and inspired vision of Malineni Perumallu Educational Society, Singarayakonda. The institution is ideally located in a vast expanse of 5.08 acres of land on the outskirts of GUNTUR city at a distance of about 6 Kms from the city centre.

The departmental buildings are located in close proximity to each other with wide open spaces all around. The playgrounds and other student and staff amenities are within working distances. College is offering U.G and P.G Programs in different specializations. U.G programs are B.Tech (CSE), B.Tech (IT), B.Tech (ECE), Data Science (DS), Artificial Intelligence & Machine Learning (AIML), Artificial Intelligence & Data Science (AI&DS). P.G programs are M.B.A., M.C.A., M.Tech (CSE) and M.Tech(VLSI).

### About Department

The Department of Science and Humanities provides the solid foundation for the students in reorienting them towards technical education, equipping them with knowledge in basic engineering streams and exposing them to a broad spectrum of subjects and disciplines like Mathematics, Physics, Chemistry, Environmental Sciences and Management studies in addition to extensive training in Language and Communication Skills. The creative, critical, analytical and communicative

faculties of the students are sharpened and fine-tuned. The language laboratories are provided with facilities for browsing audio/video files, PA system and DLP projector along with interactive software for in-depth training and practice of the students. Unique additional value inputs are imparted in the areas of personality development, communication and soft skills.

### About Workshop on "Research Design, Methods And Analysis"

- Developing design and methodology for graduate thesis and research projects
- Developing and validating surveys, questionnaires and measurement scales
- Conducting qualitative and quantitative data analysis
- Communicating results for research reports and peer-reviewed publications.

### Vision

To Emerge as the centre of quality education in Computer Science with a specialization in Data Science for producing competent engineers to serve the society.

### Mission

- IM1: To impart quality education through innovative teaching and learning methods.
- IM2: To train the students as analysts in Data Science.

IM3: To inculcate ethical and social values among the students for improving their living standards.

IM4: To impart knowledge on the latest technologies as per the needs of the industry.

20-10-2022	
<b>Session 1:</b>	Inauguration
10.00 A.M -10.30 A.M.	Tea Break
10.30 A.M.-10.45 A.M.	Writing high quality manuscript, systematic literature review.
10.45 A.M.-12.30 P.M.	
<b>Session 2:</b>	Creating graphs and charts, Calculating summary statistics
01.30 P.M.-3.30 P.M.

## SUMMARY REPORT

Name of the Workshop: “Research Design, Methods And Analysis”

Program Date: **16-11-2022 & 17-11-2022**

Program Location: Seminar Hall

Program Conducted By : The Department of S & H

Number of Participants: 20

### **Objectives of the Program:**

- i). The faculty now have a task in implementing the Research methodologies.
- ii). The scope of this FDP is to provide a forum to exchange views, ideas and the latest innovations in the research and technical field of S & H.
- iii). This shall enhance the participants ability to conduct research in the field of S & H.

### **Summary Report:**

The FDP was successfully conducted by The Department of S & H on “Research Design, Methods And Analysis” which was inaugurated by: Dr. J. Apparao Principal, MLWEC.

Eminent speakers joined to enhance the knowledge of faculty through the development program. The FDP provided a better understanding on research as well as the knowledge on vast areas of Mathematics and Statistics. The professors delivered the talk on “Importance of research in Academics”, as it is very helpful to the participants. There were many useful topics covered in the program like High quality manuscript writing, Qualitative and Quantitative Analysis, AMOS, Structural Equation modeling.

The FDP was concluded with the feedback and certificate distribution to the participants. Overall, the program provide a beneficial and knowledgeable experience for the participants to learn about scope and significance of Research.

## SUMMARY REPORT

Name of the Program: FDP on **Data Collection Techniques**

Program Date: 03-01-2023 to 05-01-2023

Program Location: In Computer Labs 11 & 12

Program Conducted By Department of Information Technology

Number of Participants: 20

### **Programme Objectives:**

- ✓ To enable the participants to define research problem and select suitable research design.
- ✓ To impart capabilities for formulation and testing of hypothesis based on the nature of research.
- ✓ To comprehend appropriateness of statistical software packages SPSS & AMOS for data analysis and structural equation modeling (SEM)
- ✓ To enable the participants to learn writing of reports and research proposals.

### **Summary Report:**

The FDP was successfully conducted by department of Information Technology on "Writing a research proposal" in research methodology which was inaugurated by:  
Dr. J Apparao ,Principal MLEW.

Eminent speakers were joined to enhance the knowledge of faculty through the development program. The FDP provided a better understanding on research as well as the knowledge on vast areas of Information Technology. The professor delivered the talk on "importance of research in academics as it is very helpful to the participants". There were many useful topics covered in the program.

The FDP was concluded with the feedback and certificate distribution to the participants. Overall the program was beneficial and knowledgeable experience for the participants to learn about scope and significance of Research.

## About College

Malineni Lakshmaiah Women's Engineering College is established in the year 2008. It is a self-financing institution which owes its foundation to the bold and inspired vision of Malineni Perumallu Educational Society, Singarayakonda. The institution is ideally located in a vast expanse of 5.08 acres of land on the outskirts of GUNTUR city at a distance of about 6Kms from the city center.

The departmental buildings are located in close proximity each other with wide open spaces all around. The playfields and other student and staff amenities are within working distances. College is offering U.G and P.G Programs in different specializations. Three U.G programs are B.Tech (CSE) with intake of 120, B.Tech (IT) with intake of 60 and B.Tech (ECE) with intake of 120. Two P.G programs are M.Tech (CSE) with intake of 24 and M.Tech(VLSI) with intake of 24.

## About Department

The Department of Information Technology at the "Malineni Lakshmaiah Women's Engineering College" was formed in the year 2008 and provides an

outstanding research environment complemented by excellence in teaching. The Department offers B.Tech degree. The Department has a comprehensive curriculum on topics related to all aspects of Computer Hardware and Software with an emphasis on practical learning. The course structure is up-to-date and includes courses on nascent topics to equip our students with the latest developments in Information Technology.

## Objective of the Programme

- To provide knowledge on Concepts of Research Methodologies and design aspects.
- To review current trends and practices in research.
- To expose recent developments and challenges in philosophy and practice of social science research.
- To help the scholars to develop critical perspectives on key areas of research followed in theoretical and empirical research.
- To provide knowledge to the participants as to how to write research manuscripts and review process.

## Vision

To emerge as center of excellence in IT education, research and innovation by promoting competent and ethical woman engineers for enrichment of society

## Mission

IM1: Bringing innovative approach in teaching - learning process competent Information Technology engineers.

IM2: To inculcate ethical and social values among the students for improving their life skills.

IM3: To promote research and development in the domain of Information Technology to meet the emerging needs of the Society.

IM4: To promote higher education, technological innovation in the areas of IT with interdisciplinary connection.

## Target Group

Sub:- Requesting permission to conduct Two days Faculty Development Program – Reg.,

Respected Sir,

We the department of AI & DS is planning to conduct Two day Faculty Development Program on  
“Research Methodology And Hands On Learning” on 18-07-2022 & 19-07-2022. We are  
requesting your permission to organize the workshop and use the CSE LAB-7&8 on these days.

Thanking You,

Yours Sincerely,

(Ms. D. Mary Swaroopa)

## SUMMARY REPORT

Name of the Workshop: “**Research Methodology And Hands On Learning**”

Program Date: 18-07-2022 & 19-07-2022

Program Location: CSE LAB-7&8

Program Conducted By : Department of AI&DS

Number of Participants: 20

### **Objectives of the Program:**

- i). The faculty have a task now in realizing the Research methodologies.
- ii). The scope of this FDP is to provide a forum to exchange views, ideas and the latest innovations in the research and technical field of AI & DS.
- iii). This shall improve the participants ability in carrying out research in the area of AI & DS.

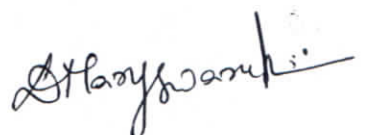

### **Summary Report:**

The FDP was successfully conducted by department of AI&DS on “Research methodology and hands on learning” which was inaugurated by: Dr. J. Apparao Principal, MLWEC.

Eminent speakers joined to enhance the knowledge of faculty through the development program. The FDP provided a better understanding on research as well as the knowledge on vast areas of computer science and engineering. The professors delivered the talk on “importance of research in academics as it is very helpful to the participants”. There were many useful topics covered in the program.

The FDP was concluded with the feedback and certificate distribution to the participants. Overall the program was beneficial and knowledgeable experience for the participants to learn about scope and significance of Research.
