OBE - Outcome - Based Education is a student centric learning model that helps teachers to plan the Course delivery and assessment with the End point in mind. The teacher has to keep in the mind about planning of lessons, designing activities of assignments & assessments and also Lecturing activities. Student should reach the Course goal and fulfill the Course outcome.

OBE Outcome-Based Education :-
~~~~~

OBE for any course is meant to be a student-centered learning model. The successful strategy of this Outcome-Based Education is creating that achievable goal be it short-term or long-term, while addressing students to feel responsible for their own learning.
