About College

Malineni Lakshmaiah Women's Engineering College, (MLEW) has been established in 2008 to leverage 'education' as a means of 'empowerment' of women. The aim is to promote Technical Education among women to enhance and build-up a new generation of thinkers, innovators and planners in the realms of Science and Technology. It is approved by All India Council for Technical Education (AICTE), New Delhi and ISO 9001:2015 Certified Institution and with the recognition of Govt. of A.P, MLEW is affiliated to Jawaharlal Nehru Technological University (JNTU-K), Kakinada. Since the inception of the college, the college has been taking in students and growing in facilities year after year. Aesthetically landscaped, the sprawling campus of the college is home to the finest facilities and contemporary instructional infrastructure. Every student of MALINENI can be assured that this institution will provide them a very congenial academic ambience and the right type of inputs in order to mould them with the right technical competence as required by the industry. The teaching-learning process is carried out through the use of overhead and LCD projectors. The college boosts facilities such as an extensive computer center, library, advanced lab for communication skills, internet center, spacious seminar halls and Digital Classrooms.

Vision

To be a pioneer institute in engineering education, fostering academic excellence, and producing empowered women engineers, blended with ethics and values, to serve the society.

Mission

To achieve academic excellence through innovative teaching-learning practices

To inculcate self-discipline, ethics, and values amongst the learners

To bridge the gap between industry and academia through the industry-institute interface

To promote higher education, research and inculcate entrepreneurial attitude amongst the learners

About Department

The Department of Information Technology offers a strong foundation of knowledge in problem-solving and logical thinking. Information Technology has totally changed the facet of the quality of life today, with so many innovative research and development projects impacting everyday life. The scale of achievement is attained through an ability to integrate Computer Technology with Communication Technology.

The Department Of Information technology always strive to provide quality education to the students and work hard to develop the overall personality of the students. The laboratories of the department are well developed with advanced equipment to impact the required practical training to the students. The department also is equipped with good computer labs and with software's to the computing knowledge to the students. The department maintains a strong links with the infrastructure industry, academic and research institutions at the national level.

Vision

To emerge as the center of excellence in IT education, research and innovation by promoting competent and ethical woman engineers for enrichment of society.

Mission

Bringing innovative approach in teaching-learning process to produce competent Information Technology engineers.

To inculcate ethical and social values among the students for improving their life skills.

To promote research and development in the department of Information Technology to meet the emerging needs of the society.

Schedule

Time	Topic	Speaker(s)
02-02-2021		
10.00 - 10.30 A.M	INAUGURAL FUNCTION	Principal, M.O.D
10.45 - 3.45 P.M	Fundamentals of the UI-UX design and it's use cases	Mr. V. Ramesh
03-02-2021		
10.00 - 3.45 P.M	Deep dive into concepts involved using Industry Examples	Mr. Vijay Chunduru
04-02-2021		
10.00 - 3.45 P.M	Step-by-step Framework to Design for Web & Mobile	Mr. Seshu Kandregula
05-02-2021		
10.00 - 3.45 P.M	Opportunities & approach to build a Successful Career	Mr. Vijay Kumar Jakkula

Every day

Tea Break at 11.30 to 11.45 A.M.

Lunch Break at 12.45 to 1.45 P.M.

RESOURCE PERSONS

(From COIGN CONSULTANTS PVT LTD)

1. Mr. V. Ramesh
