

Memorandum of Understanding

Between

**Department of Electronics and Communication
Engineering,**

Malineni Lakshmaiah Women's Engineering College,
Pulladigunta (V), Vatticherukuru (M), Guntur (D)-522017 (A.P).

and

**Datapoint
Datapoint Info Solutions**

Flat No101, Sri Sai Rams Swarnalatha Estates, Sai Saradhi Nagar,
Hyderabad-500016 (T.S).

This memorandum of understanding is made and executed at MLWEC Guntur Campus between Department of Electronics and Communication Engineering, Malineni Lakshmaiah Women's Engineering College (MLWEC), Guntur and Datapoint, Datapoint Info Solutions, Hyderabad.

This memorandum of understanding entered at Department of ECE, Malineni Lakshmaiah Women's Engineering College represented by the Principal of the MLWEC Guntur which expression to the context means and includes its successors and assigns as the FIRST PARTY.

Datapoint Info Solutions is an acknowledged Business Consulting for Startups and Innovations and Datapoint Info Solutions is represented herein by Mr. Suresh Maguluri, Chief Executive Officer (CEO) which expression to the context means and intrudes its successors and assigns as the SECOND PARTY.

WHEREAS The parties have had preliminary discussions in this matter and have ascertained areas of broad consensus. The parties now, have therefore, agreed to enter in writing these areas of consensus, under a Memorandum of Understanding.

PRINCIPAL

About FIRST PARTY

The department was established during the inception of the institute in 2008 as the department of Electronics and Communication Engineering (ECE). Since its commencement, the primary objective of the department has been to impart quality education, training and research at the undergraduate and postgraduate levels in various areas of Electronics and Communication Engineering with broad emphasis on design aspects of electronic systems.

The major areas of faculty expertise of the department include Biomedical Signal Processing, Communication Systems, Computer Networks, Control Systems, Digital Signal Processing, Image Processing & Computer Vision, Instrumentation, Multimedia Security, Power Electronics, Power Systems, Radar Signal Processing, RF and Microwaves, Speech Signal Processing, VLSI Systems and MEMS.

About SECOND PARTY

Datapoint Info Solutions at Hyderabad and an active leader in startup ecosystem and technology enabler for various start-ups today. Datapoint Info Solutions have profound expertise and experience on Internet of Things (IoT), Embedded Systems, Robotics, AR/VR, AI and Cloud Computing.

Datapoint Info Solutions has a network of people like mentors, start-ups, incubators, and accelerators as a chain and which helps for accelerating the student idea into fine-tuned startup. Datapoint organizes Hackathons, Ideathons, Ideations, and Idea driven related events across India to bring the Government of India's initiative

'Startup in Campus' fit in the rural areas.

In the context of 'Make in India', the initiatives of Datapoint will help the students to start their own start-up right from the college level.

Respected Sir/Madam,

Greetings from ICT Academy!

Sub: Inviting nominations for ICT Academy Student Innovator Awards and Youth Talk

ICT Academy is an initiative of the Government of India, the State Government and industry, has come up with Awards & Contests for students community to showcase their innovative projects and inspiring talks. Please find details of the 'Student Innovator Award' and 'Youth Talk Contest' furnished

Student Innovator Award 2017

ICT Academy Student Innovator Award 2017 is conducted in Andhra Pradesh and invites projects in the branches of

- Computer Science & Information Technology
- Civil & Architecture
- Mechanical & Automobile and
- Electrical & Electronics

Full time engineering students under UG and PG courses across India mentioned in the previous streams can apply for this award. Winners will be awarded with cash prize and recognized with trophies and certificates.

Youth Talk 2017

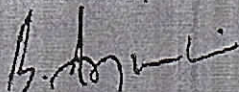

ICT Academy Youth Talk is conducted in Andhra Pradesh and encourages students from all disciplines to deliver short talk midst their peers, the inspiring ideas, and thoughts that change lives, attitudes etc. The winner will be recognized and awarded with a complimentary educational Tour to Singapore.

Kindly pin the enclosed posters in your institution notice board and we invite students to apply for the awards& contests at youth.ictacademy.in on or before 31st July 2017.

Thanking you and requesting participation of your esteemed Institutions in all ICT Academy initiatives.

Warm Regards

ICT Academy

Andhra Pradesh Information Technology Academy (APITA)

Notification for College Registration

Andhra Pradesh Information Technology Academy (Formerly Institute for Electronic Governance), Government of Andhra Pradesh is inviting Registrations / Renewals from Engineering/MCA/ MBA Colleges for Amaravathi Knowledge Centre (formerly Jawahar Knowledge Center) Program for the Academic Year 2017-18.

- The registration can be done online at www.apita.ap.gov.in and the process is explained in Annexure-1.
- All the colleges which are registered / Renewed with Andhra Pradesh Information Technology Academy (APITA) during the academic year 2016 - 17 are required to renew their registration to allow the student registrations from their institutes.
- The institutes which were not registered with 2016 -17 are required to go for new registration with APITA to allow fresh student registrations from their institutes.
- Last Date for the Registration / Renewals is 31st July, 2017.
- Students of the Registered / Renewed colleges may register with APITA after the completion of college registration process.
- Late fee may be imposed if Registration / Renewals are not completed by the above date.
- It is mandatory for the institutes to Register / Renew before they can register their students.

Benefits for the Registered / Renewed institutes

- APITA would send trainers to train the registered Students on Industry Academia programs. However, these are to be indicated well in advance to assign the trainers from pooled resources. The Principals of registered Colleges have to motivate students and then schedule the training in consultation with concerned DDM. The slots will be assigned on first cum first serve basis.
- All the registered institutes would become a part of the MOU's between APITA and its various industrial partners.
- Faculties of the registered institution would get chance to participate in several workshops organized by APITA in collaboration with its industrial partners.
- Registered students of these institutes would get the opportunities to participate in the placement assistance programs organized by APITA.
- Registered students of these institutes would get discounted price towards Certifications fees, as applicable to IBM, Oracle, National Instruments, Autodesk, SAP, etc.
- Students can participate in the Career Counseling Workshops, Seminars, Competitions etc. organized by APITA.
- The Registered Colleges can request for workshops on Soft Skills (2 to 3 days) twice in the Semester. However, these requests need to be given at least 2 weeks before.
- Terms & Conditions of the program are subjected to change as per the decisions of the Executive Council and Governing Council.
