About our Library

Malineni Lakshmaiah Women's Engineering College Library has been emerging as a Knowledge Resource Centre, mainly catering to the needs of the Faculty, Administrative Staff, Research Scholars and Students towards accessing information. Our library is housed in the carpet area of 430 sqm with good infrastructure and ambience. There is a regular subscription to leading Newspapers, Magazines and Journals, thereby augmenting the library as a rich source of knowledge. The feedback from the users of the library testifies that they have always cherished the memories of having availed the services of this treasure-house of knowledge in the past decade.

Purpose

The purpose of a library is to freely disseminate knowledge. Our library is therefore operated on a need-based approach rather than the usual rules-based treatment given to students everywhere. We allow open access to the collection, conduct book review club, exhibitions and through information literacy we encourage students to read books and access e-resources.
