ALUMNI MEET BRIEF:

The Alumni meet is an event for old relationships to be cherished, celebrated and refreshed and new ones to be formed. It is a time of reflecting, remembering the good old times and memories of the Alumni and looking forward with a sense of purpose and anticipation

Malineni Lakshmaiah Women's Engineering College organized Alumni meet 2020-2021 in the college on 13th August, 2021. Nearly 80 former students from all branches CSE, ECE, IT have attended the meeting. Among the alumni nearly 3 students have completed their higher education in India and Abroad (USA). Alumni working in Infosys, Accenture, Tech Mahindra, Allsec Technologies, CSS Crop.

Objective of the program: The objective of the program was to make students understand how they can have a successful engineering career in future.

Outcome of the program:

Students will be able to:

- Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
- Recognize the need for and have the preparation and ability to engage in independent and lifelong learning in the broadest context of technological change.

- Post lunch session, a student and alumni interactive session was organized where students were allowed to ask any doubt or query related to placement and future career prospects and recent trends in Electrical Engineering & Computer Science and Engineering & Information Technology.
- As per the feedback received from the students end, the entire session was really fruitful and enjoyable.
- The Meet ended with a sweet hope of Meeting again next year.

(An ISO9001:2008 Certified Institution)

Pulladigunta (Village), Vatticherukuru (Mandal),

Guntur-522017, Andhra Pradesh, India.

Summary of the program:

- The ceremony began at 10.30 am with the traditional lighting of lamp by Dr.J.AppaRao, Assist.Prof. V.Sudhakar, Coordinator of CSE Department and all the invited alumni.
- Assist.Prof. V.Sudhakar invited the few alumni members to share their experiences of their graduation period. They shared their various wonderful experiences of the college with the students and advised them to attend classes regularly. They also highlighted important criterion which current industry normally seeks from any candidate and motivated the students to understand the fundamentals of every subject so that after completion of their course it becomes easy for them to choose a specific field.
- After a joyful interaction with the students, a short 30 minutes tea break was organized for all the alumni.
- Post tea break session a faculty and alumni interaction was arranged all the Alumni members are interacted with the Students & their Parents They asked for suggestions and modification regarding trainings that are provided to the students.
- Alumni after sharing their experiences assured all kinds of help, support, and cooperation for the betterment of the students and institute as whole.
- After a serious discussion a lunch session was organized for the alumni. It was observed that old students reliving their old memories with their batch mates, seniors and juniors. Many of the current students were also seen interacting with their pass out seniors and learning from their experiences. In all, the ambience was electric with people seen chatting and enjoying in groups.
- Post lunch session, a student and alumni interactive session was organized where students were allowed to ask any doubt or query related to placement and future career prospects and recent trends in Electrical Engineering & Computer Science and Engineering & Information Technology.
- The Meet ended with a sweet hope of Meeting again next year.
