Sir,

Sub: Inclusion of new course/laboratory in the curriculum of Electronics and Communication Engineering program. Request reg.,

This is to bring to your kind notice that there are some curriculum gaps observed in the program outcome PO5 and PSO1 of ECE program. The Department Advisory Board (DAB) of ECE discussed in a meeting held on 14/7/2016 and analyzed the feedback taken from faculty, alumni and exit students in which they notified the shortcomings in the curriculum. The DAB has recommended for the inclusion of the **LAB** mentioned hereunder in the curriculum of ECE.

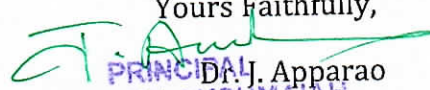

We request you to kindly look into the matter and take necessary action for the benefit of the student community. The DAB meeting proceedings are attached herewith.

Thanking you Sir.

Recommendations of DAB:

1. Antenna designing using HFSS soft ware

Sir,

Sub: Inclusion of new course/laboratory in the curriculum of Electronics and Communication Engineering program Request reg.,

The Department Advisory Board (DAB) of ECE held meeting on 20/6/2017 and had discussions on the student feedback. DAB-ECE analyzed the feedback taken from alumni and exit students in which they notified a few shortcomings in the curriculum. These curriculum gaps pertain to the program outcome PO5 in the ECE program. The DAB has recommended inclusion of the courses mentioned below in the curriculum of ECE program for the benefit of students.

We request you to kindly forward the matter to university authorities for necessary action for the benefit of the students. The DAC meeting proceedings are attached herewith.

Thanking you Sir.

Recommendations of DAB:

1. Internet of Things (IOT) as a course or Laboratory
2. Machine Learning / Pattern Recognition as a course

Yours Faithfully,
